Administration

There were many improvements to our school this year. Most of these changes were conducted under the supervision of principal Lynn Mayer. One of the biggest modifications was the new bell system starting school at 7:55 and finishing the day at 2:20.

There were renovations such as the Industrial Arts Department, the boys' locker room and other changes throughout the school to improve the atmosphere. A "Hall of Fame" showcase was designed to acknowledge famous Catonsville Alumni.

Art and Music

The Music department acquired Philip Taylor as department head last Fall. In October of 1984, Catonsville played its first night game at Towson and the marching band was there to perform for the first time. Also a first this year, the Concert Choir was to sing in the National Pageant of Youth at the Presidential Inauguration. Unfortunately due to the weather, the pageant was cancelled and the choir was unable to perform.

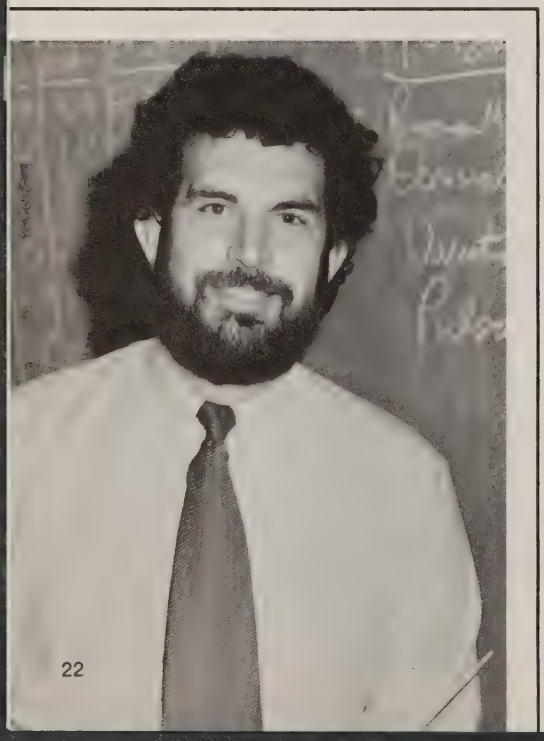

The Art department underwent changes this year under the direction of new chairperson Diana Mand. She initiated an exchange program with other area schools so Catonsville students could share in what other art students are producing over the county. The students painted departmental murals in an attempt to make CHS artwork more visible in the building.

Business

This year the Business department acquired one new faculty member, Carol Sichelstiel. The department offered a certificate for general office clerks. Many new electronic typewriters were purchased for use by the Typing II and Office Procedure classes. According to Chairman Doretha DuBose, every student should take Typing I to learn keyboarding skills. These skills are needed not only for typing, but also computers.

English

Added to the CHS English department this year were two new faculty members, Paul Dougherty and a new department chairman, Mary Cary. The department's main goals were to provide students with increased opportunities to improve their writing and speaking skills. The use of sourcebook writing supplemented the established composition program and provided practice for the Maryland Functional Writing Test.

Foreign Language

The Foreign Language Department underwent some welcomed changes this year as the department expanded with the addition of both Latin and German to the curriculum. Mrs. Craver came to CHS in the afternoon to teach Latin, and Mrs. Kranzler joined the Catonsville staff in the morning to teach German. The department enjoyed increased enrollment due to the new additions without losing enrollment in the already existing Spanish and French programs.

Foreign language was found outside of the classroom too as the Spanish, French, and German clubs enjoyed activities which supplemented class exercises throughout the year. The AFS club also enhanced extracurricular activities as students enjoyed presentations from students who traveled abroad and those from foreign exchange students who lived with us this year.

Home Economics/Industrial Arts

The Home Economics department offered a variety of courses on both a semester and yearly basis to both male and female students. The child development lab in Education for Responsible Parenthood again provided opportunity for students to gain experience with young children.

This year saw the renovation of the Industrial Arts department. The department made use of standard classrooms until January. New walls, tile floors, and more space were the results of the changes in the industrial arts building.

Mathematics

This year the math department, under the new leadership of Dennis Quinby, continued to provide a variety of courses to meet the interests of all students. The range of courses offered included General Math, Algebra I, Algebra II, Geometry, Computer Math, Trigonometry and Analytical Geometry, College Algebra and Calculus. The enrollment in the Computer Math Program continued to increase with an all time high of four classes. This year was also the first time the county offered second year Calculus for advanced G/T students.

Physical Education

The Physical Education Department, under the direction of Ed Bury and Kathy Schuyler, underwent many changes this year. In addition to the new four hundred meter track and the locker room renovations, the programs were also changed. The health course and weight training programs were expanded, and there was an increased emphasis on fitness training, with jogging being required of all students. It is hoped that with these changes, the Physical Education Department will be better able to serve the students' needs this year and in future years.

Science

The science department, chaired by Richard W. Lynch, underwent few, yet important, changes this year. A new G/T science course was introduced for seniors, offering these selected students a half year of advanced placement chemistry and a half year of biology. There was a greater emphasis placed on reading skills at all grade levels, and the department has gone back to standardized tests to improve students' scores on the Advanced Placement and Achievement tests.

Social Studies

There were several new focal points in the Social Studies department this year, the first of which was the Maryland Test of Citizenship Skills which was administered to all ninth graders. A Gifted and Talented Program for Twelfth graders was also implemented this year. The CHS mock trial team participated in county, regional, and state competitions. All of this along with a renewed emphasis on values combined with education in the Social Studies classrooms led to a strong year for the Social Studies department.

Special Services

There are many specialized programs at CHS which all work to try to meet the needs of exceptional students. This year the reading lab continued to provide courses which stressed comprehension, vocabulary development, study skills and SAT preparation based on the individual level of the student.

The Special Education Department welcomed the addition of Dr. Vern Alban to the staff as the department provided a diversity of programs.

The Diversified Occupation Department also added a new teacher. Larry Pickett came to Catonsville to teach ninth graders enrolled in the program. Within the Diversified Occupation Department, a great deal of time is spent in contact with the families of students and business employers within the community.

Special Thanks

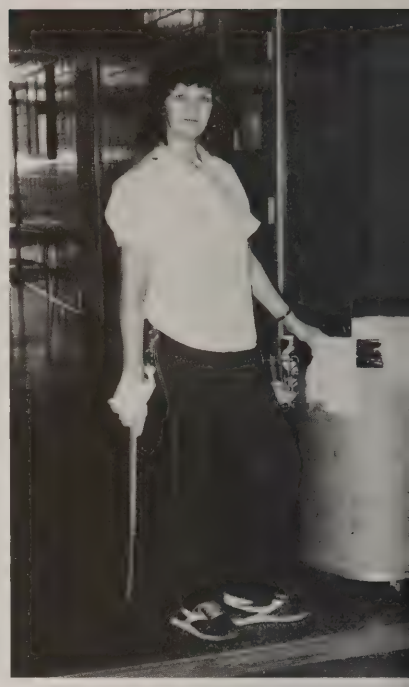

The students, in recognition of the hard work, would like to thank all of those who did so much to make the days at school more enjoyable. Among these were Ms. Brinkley, in charge of cafeteria management; Mr. John Bowen, chief custodian, for cleaning and managing the school's appearance, and the bus drivers who transported us to and from school daily. The cafeteria staff, custodial staff, and bus drivers greatly deserve special thanks.

Once again sincere thanks and appreciation is expressed for all that was done, but often went unnoticed.

Seniors

The Senior Class had a very memorable year at CHS. The cheese and sausage fundraiser was very successful and enabled the class to have a fantastic Senior Day, complete with D. J. and catering by Taneytown.

The Senior Class reintroduced a tradition of yesteryear in holding a Baccalaureate service for those who chose to attend.

On June 7 the students gathered together for one last time at U.M.B.C. Fieldhouse. Later, the seniors proudly accepted their diplomas, becoming Catonsville's most recent alumni.

Reach for your dreams
Don't ever give in,
With enough persistence
You're going to win.

Reach for your dreams
Though it may seem hard,
Just hold your head up
And keep searching for stars.

Hold on to those dreams
That are kept inside,
Success will come your way
And leave a feeling of pride.

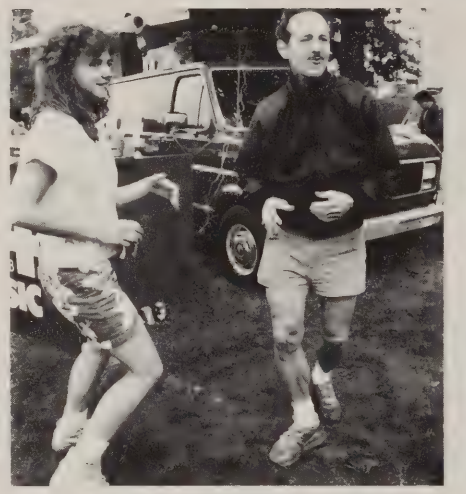

Hold onto your dreams
Though they seem far away,
And those dreams will come true
Somehow, some way . . .

Kiddie Day

As the tradition continued, on May 29 the CHS Senior Day was held. The day started off with a parade around the parking lot and then into the auditorium to watch the movie "Meatballs." Various games were held to show off the "Kiddies" abilities, followed by an enjoyable lunch catered by Taneytown. The funfilled day ended with a record hop, with music provided by B104.

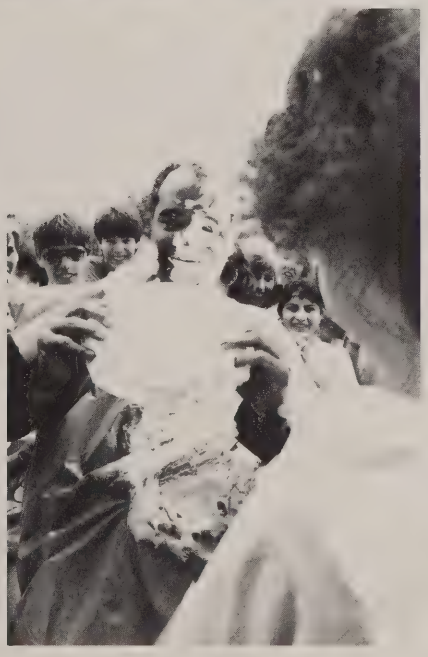

Senior Awards

The Senior Awards Assembly was held on May 30, 1985 to honor outstanding seniors in areas of academic achievements, services, and leadership positions. Numerous scholarships were also presented to those deserving students. Many underclassmen were also recognized for their accomplishments in various areas. Instead of being shown at graduation, the senior slide show was presented at the closing of the awards ceremony.

George Watson — Vocal Music Award

Frank Turney — McLaughlin Award

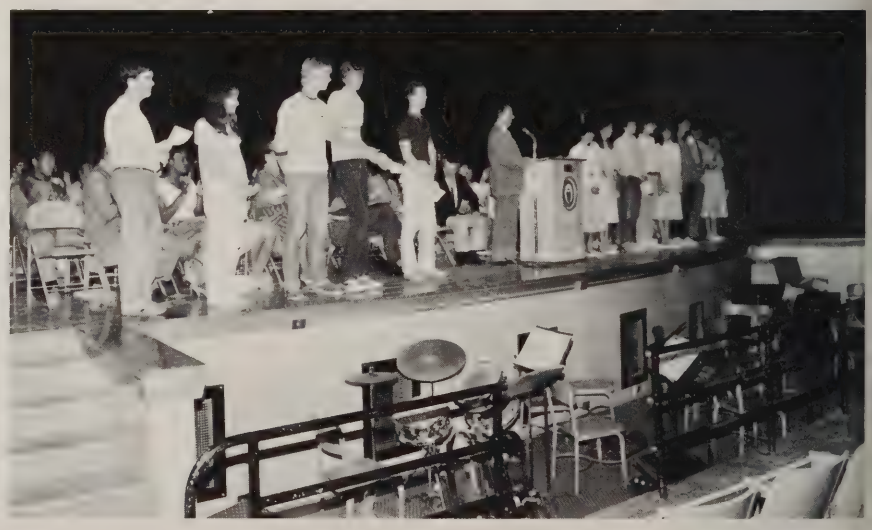

Melyndia Hoerl — Yorktowne Business Scholarship

"One More Night"

On June 4, the Class of '85 held its Senior prom at the elegant Turf Valley Country Club. The event-filled night provided excitement and many memories for this year's seniors. The music by the band *Shor Patrol* enhanced the special evening, giving the seniors "One More Night."

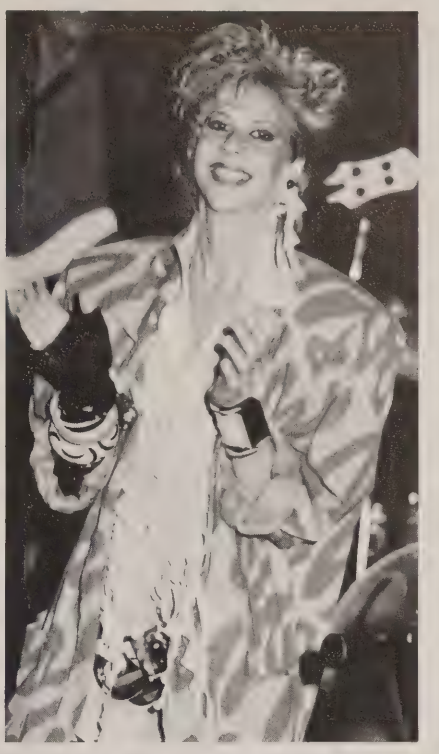

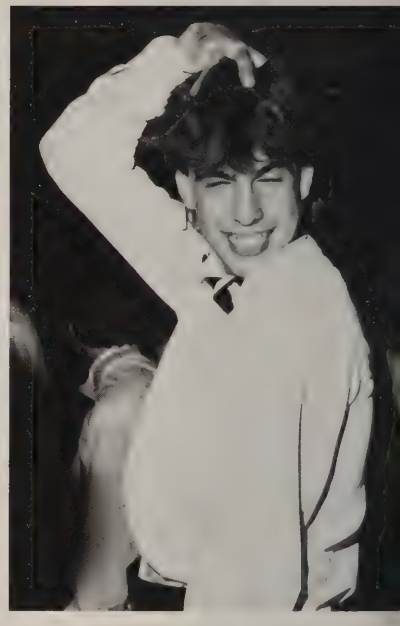

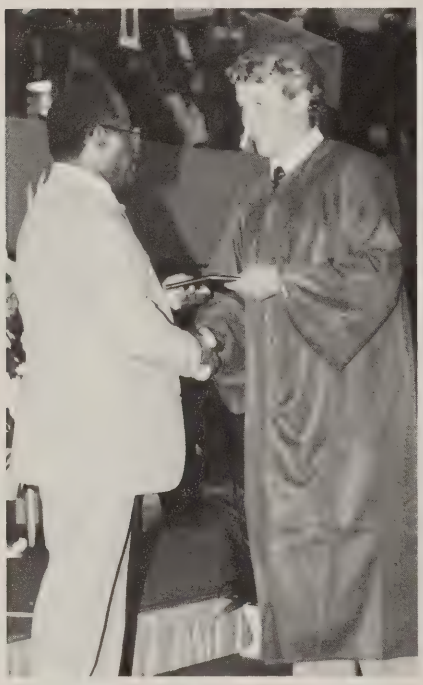

Graduation

The class of 1985 held the 81st annual commencement exercise on Friday, June 7, 1985, at the U.M.B.C. Fieldhouse. An attempt to formalize the ceremony was made by the procession of department chairmen in their university cap and gown. The speeches and music were based on the theme, "Over the Rainbow" as officers and speakers capsulized their years at CHS, while also hinting at the future.

Juniors

The Junior class started off the year with a successful fundraiser selling activity planners. On November 9, 1984, the Juniors received their rings in a new ceremony during the Junior Ring Dance. The dance introduced Catonsville's first Video D. J. and everyone there had a great time. The Junior Prom was held on May 18, 1985, featuring the band "Crystal Skies."

"Nothing Gold Can Stay"

Nature's first green is Gold,
Her hardest hue to hold,
Her early leaf's a flower,
But only so an hour.
Then leaf subsides to leaf,
So Eden sank to grief,
So dawn goes down today,
Nothing gold can stay.

Robert Frost

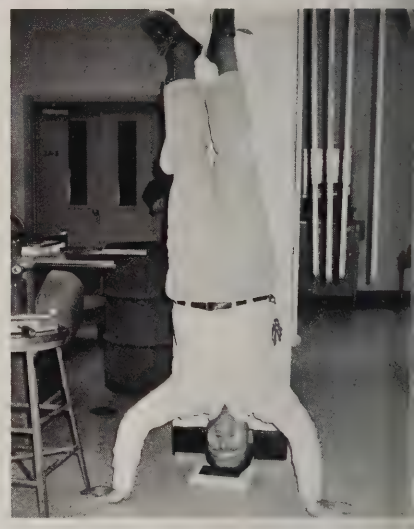

Sophomores

This year's sophomore class, the class of 1987, had another successful year partly due to their annual class-sponsored dance. The class continued their dues collection which will contribute to future class activities. Much of the success is also attributed to their excellent advisors, Ed Massey and Allen Arnold.

Freshmen

This year's freshmen, the class of 1988, showed much spirit and enthusiasm through the hard work they put into their dance. They were able to pay for the dance through the collection of dues and ticket sales. Due to the success of the dance, the future of the freshmen class looks very promising.

ACTIVITIES

ACTIVITIES

Lights Out!

The Varsity Club held its fundraising dance on Friday, September 21st. For the first time the Cafeteria was the site instead of the Gym. With the lack of space, dancing was limited and blackouts frequented the night. D & K Sound Productions created an exciting atmosphere while seniors donned togas and celebrated like Romans. The dance was a great success for the students as the Varsity Club began the social activities for the year.

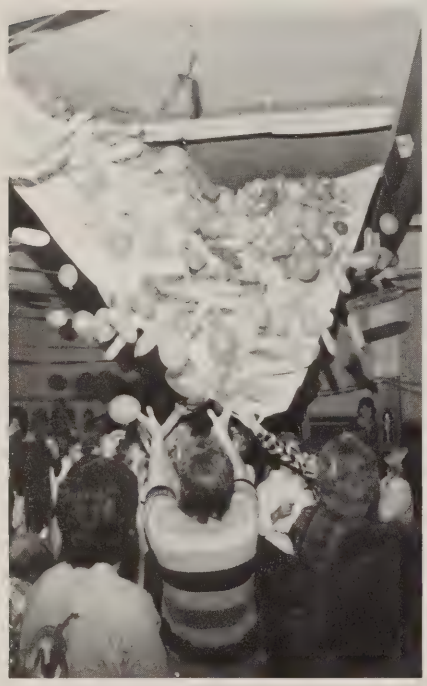

The Tradition Goes On

The Junior Ring Dance was held on Friday November 9, 1984. Over 400 people celebrated with the music of Catonsville's first Video DJ. The long-awaited ring ceremony was conducted during the dance with the help of Mr. Shannon, Mr. Lynch, and Ms. Jirsa. Overall, the evening was a great success for the junior class.

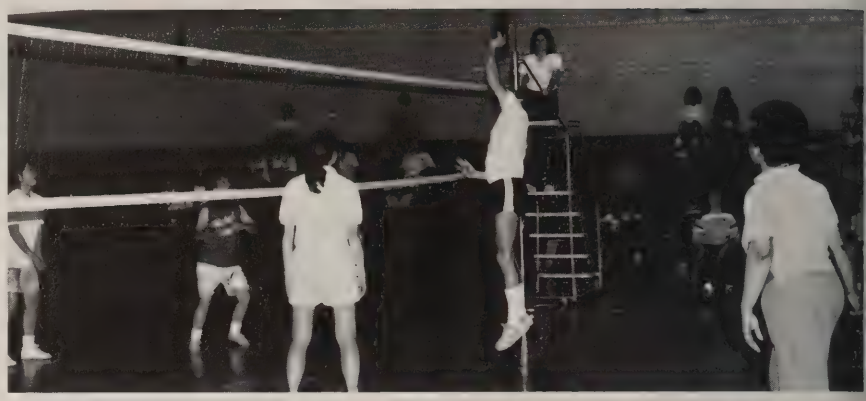

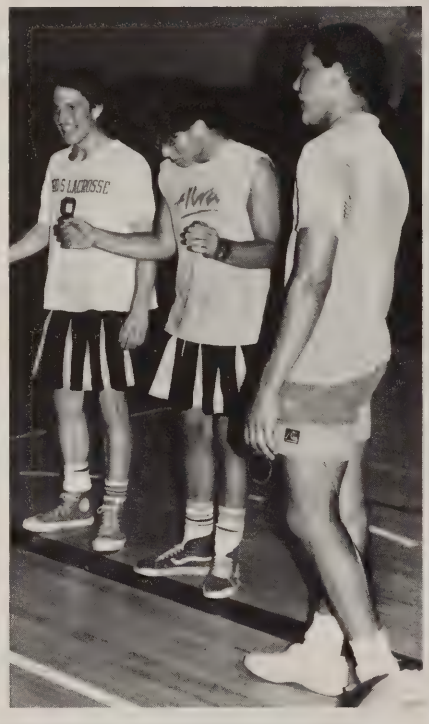

Vying for Victory

The 1985 faculty-student volleyball game turned out to be a thrilling event. With the help of the sexy cheerleaders, the boys' team won a 2-1 match over the men's team.

The women's team won for the third year in a row over the girls' team. It was a close match and an enjoyable night for everybody.

Children of a Lesser God

One of the most successful events of the fall season was this year's production of the Tony Award winning drama, *Children of a Lesser God*. This challenging production was presented on the evenings of November 16th and 17th and was a moving experience for everyone in attendance.

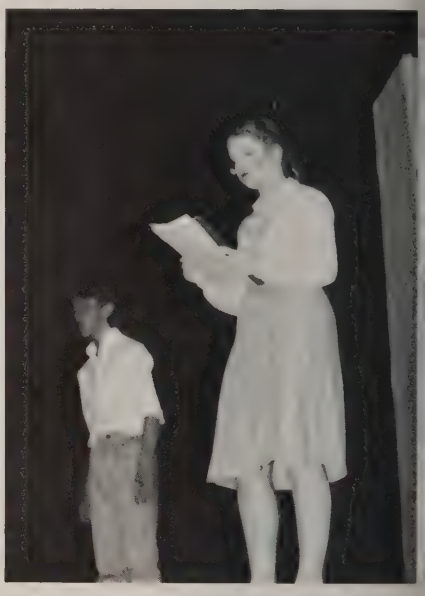

The cast had only five weeks to work together to achieve the proficiency in sign language demanded by the play.

Under the direction of R. Robert Harkum and Paul Dougherty, and sign language coaching from Anne Lieske and Sue Tustin, CHS' *Children of a Lesser God* was an enlightenment to all involved.

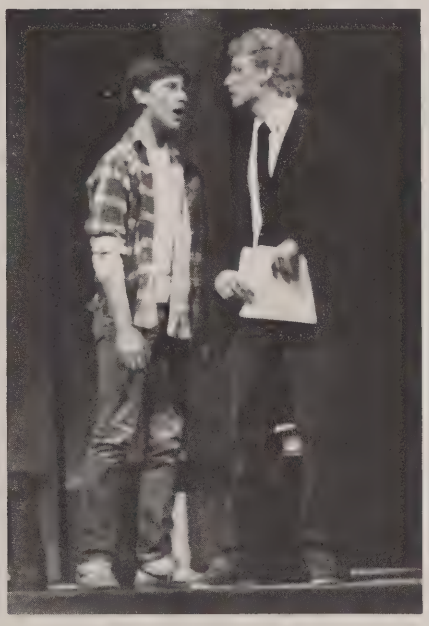

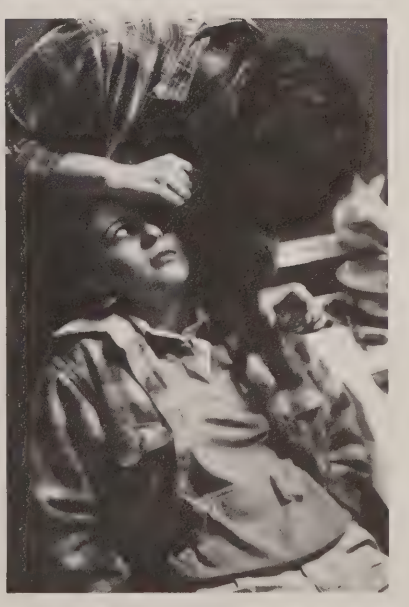

For why is all around us here
As if some lesser god had made the world,
But had not force to shape it as he would?

"Idylls of the King"
Tennyson

Seasonal Sensation

On Saturday, December 15, over 200 couples danced the night away in a Winter Wonderland. Entertainment was provided by *Shoot the Works* who played a variety of music. The decorations included detailed murals, poinsettias and, of course, a Christmas tree. A visit from Santa Claus added to the Christmas spirit. For many people the evening was only the beginning of the festive season and the upcoming vacation.

Psyched for the Surf

On Saturday, January 26, the sophomore class sponsored a dance with a theme of "Think Summer." Many spirited people braved the freezing temperatures to display their Hawaiian shirts, OP shorts, Jams, and other warm weather attire.

Entertainment was provided by D&K sound Productions who played good music and helped everyone "Think Summer."

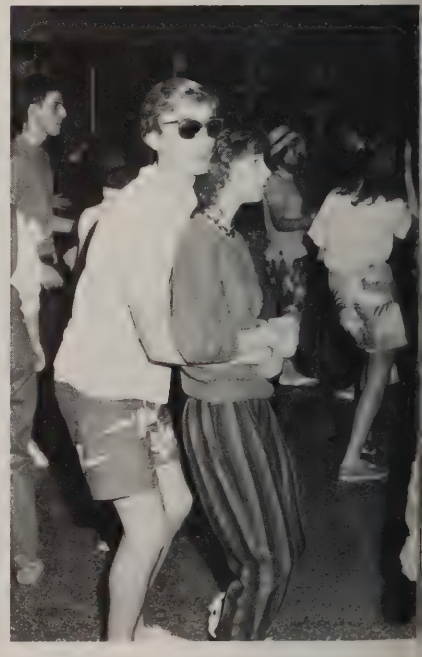

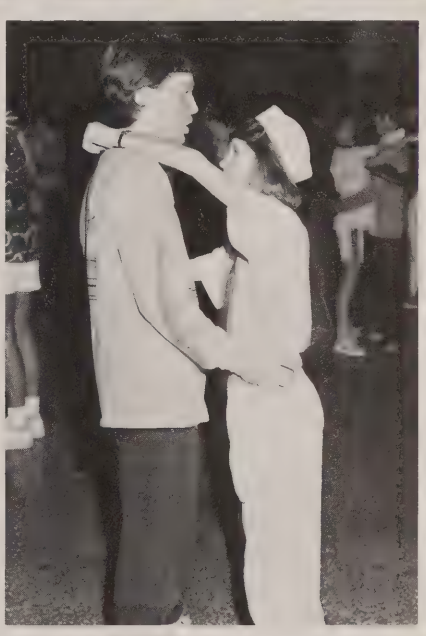

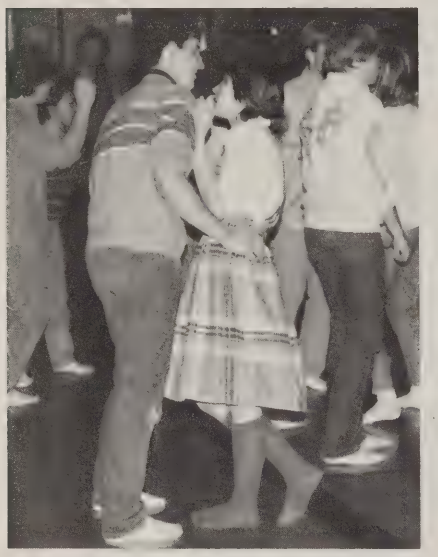

Of Socks and Shamrocks

On Friday evening March 15, the SGA sponsored the annual St. Patrick's Day Dance. This dance marked the end of a festive Spirit Week. The dance, a sock hop in the gym, was especially fitting because that day for Spirit Week was 50's Day. It was attended by AFS students from other schools as well as students from Lansdowne, who participated in the Lansdowne-Catonsville SGA exchange. The crowd danced to the music by *Apricot Brandy,* and was an enjoyable time for all who attended.

No, No Nanette

On March 28th, 29th and 30th, the CHS stage came alive with the sights and sounds of the 1925 musical, *No, No, Nanette*. The talented members of the diverse cast were given stage direction by Paul Dougherty and vocal coaching by Barbara Ward. Marti Taylor-Clements was brought in to develop high calibre choreography, and Phil Taylor conducted the fine musicians who made up the orchestra.

The time, effort, and dedication needed to produce such a show were clearly evident as superb acting, impressive sets, show-stopping dance numbers, and authentic costumes contributed to the positive reception that the musical received.

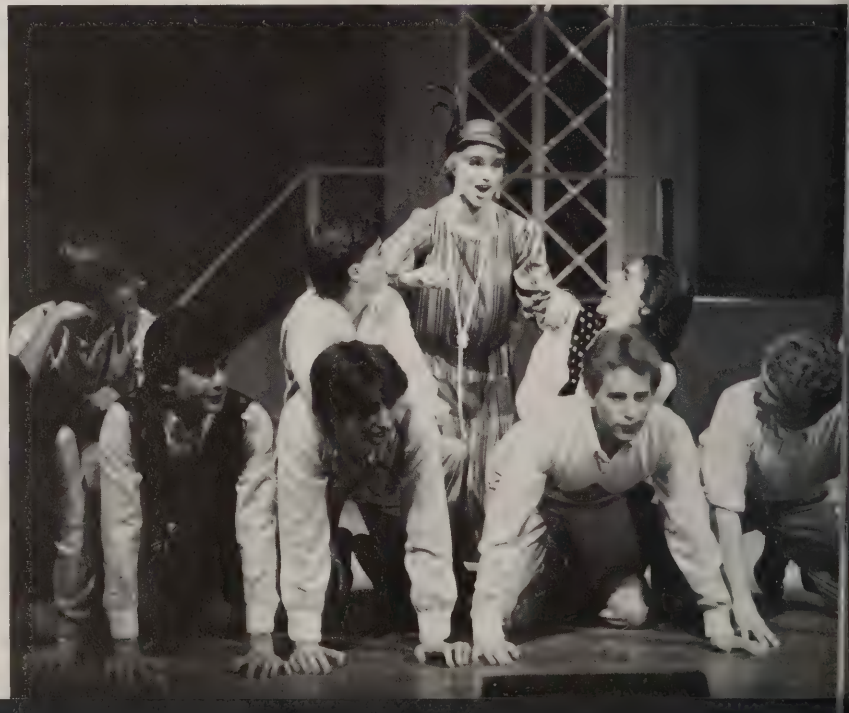

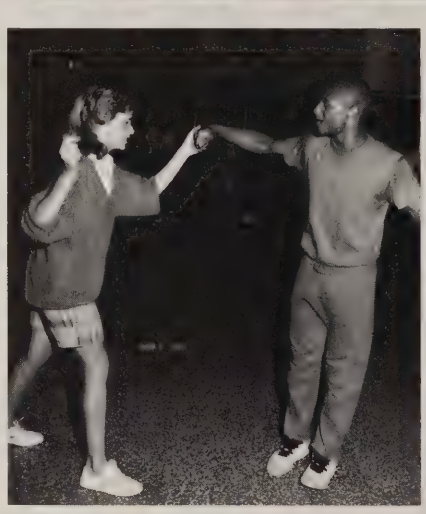

Get Loose

On Friday, April 26, the Freshman class sponsored a dance with the theme "Get Loose." Music was provided by Mike Squirrel which created a lively atmosphere. The cafeteria was full of energy as students freaked and breaked for hours. The dance was a fundraiser for the class of '88 as well as a fun evening for all.

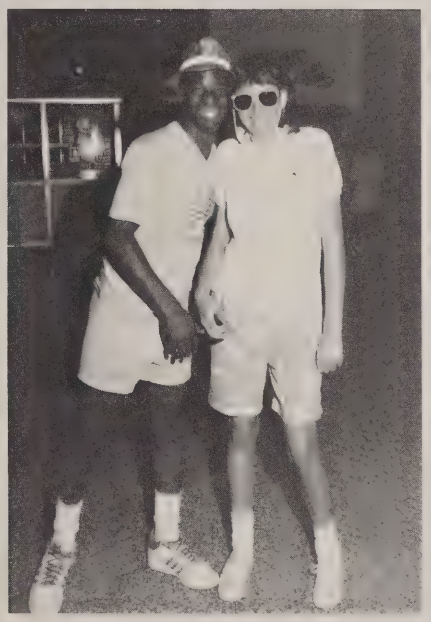

A Night in Heaven

A star covered archway greeted the Class of '86 as they arrived at the Junior Prom on the evening of Saturday, May 18, 1985. The theme of "Heaven" by Bryan Adams was prominent throughout the gymnasium as the 113 couples danced under the stars to the music of Crystal Skies. As the evening came to a close, the favors of candy jars were distributed as reminders of this memorable time.

American Field Service

This past summer the American Field Service sent three Catonsville students to foreign countries. Beth Luco visited Sao Luis, Brazil, Phaedra Mazziott visited Great Wryley, England, and Sarah Jewett visited Laugar, Iceland.

Again this year, AFS welcomed three foreign students to Catonsville: Jacqueline Varceiul of South Africa who stayed with the Evans family, Gitta Steib of West Germany who stayed with the Luco family, and Ana Maria Henao of Colombia who stayed with the Cole family.

This year the AFS club not only had a successful sub-sale and balloon ascension, but they also had a very enjoyable international weekend.

The foreign language clubs also had a very successful year. There were Christmas parties and meetings with guest speakers. The club meetings were a great extension of cultural learnings experienced in class.

Student Government Association

The Catonsville SGA, headed for a second consecutive year by Robert Hackendorf and advised by Nick Grabner, had a very busy and exciting year. Some of the notable SGA sponsored functions included: the Fall Victory Mixer, the Canned Food Drive, the Spectacular Pep Rally, which was held before the football game vs. Lansdowne at Towson State, with a soldout spirit bus, the well attended and successful "Winter Wonderland" Christmas Dance, the highly spirited Spirit Week, the Spring Dance that featured the band "Apricot Brandy," and the Friday morning donuts from Dunkin' Donuts.

The most noted achievement by the SGA this year was their contribution to the 3M copy machine which is maintained in the library for student and faculty use.

Debate

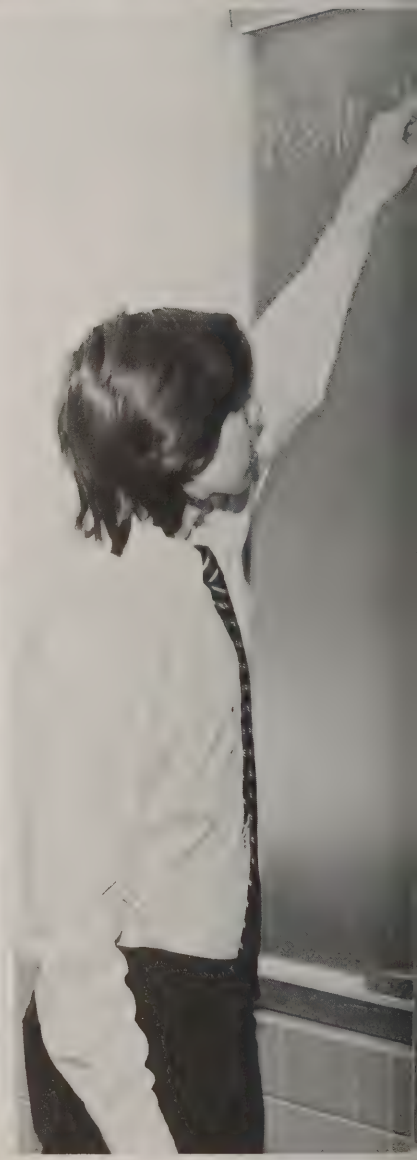

The debate team had a very successful season under the guidance of Mr. Sharp. The varsity team of Bob Hackendorf and Millie Bentley had five first-place victories including an impressive one at the Hampden Sidney Invitational. They also qualified for the BCFL finals in Ft. Lauderdale along with Rachel Burchard, Scott Robertson and John Newbrough.

The novice team of Jean Martin and Steven Canner had an impressive season compiling several first-place victories in local tournaments.

Ellipsis

This year, the *Ellipsis* has surpassed its previous reputation as an outstanding literary publication. Under the guidance of Dr. Gary Blankenburg, the *Ellipsis* has dramatically increased the scope of its magazine. The staff, along with the creative writing class, had over 31 poems published in outside professional journals this year. Guest poets Susan Ballinger, Joe Fanzone, Christopher George, Gary Lindorff, and Reva Mandelbaum came to share their work with the class. The 1985 edition has been expanded to include poems by these poets in addition to many other local poets, past alumni, and the student body.

HOOD

Comet

In addition to printing the *Comet*, the staff enjoyed many guest speakers this year, including journalists from Baltimore and local newspapers, and Pulitzer Prize winner, Jon Franklin. Some of the staff participated in the MSPAA fall workshop at College Park. They competed in the Temple Press Tournament in Philadelphia also. Although the class did not turn out as many papers as it would like, their work was top-rate quality.

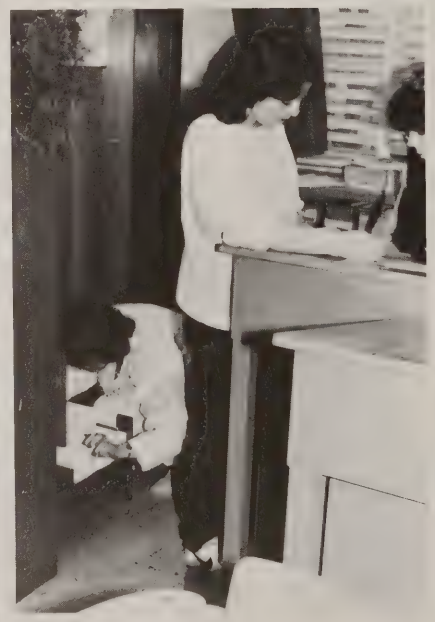

In the future, advisor Sally Gracie hopes her class will gain access to a word processor/computer because she feels students need more opportunities to publish their works. As publishing and printing is very expensive, the processor would cut some costs and allow Mrs. Gracie's staff to publish a mimeopaper more frequently in addition to regular editions of the *Comet*. Another hope is that students will follow the example of previous staff members by seriously considering journalism as a career. Overall, the staff did an outstanding job and shows great promise.

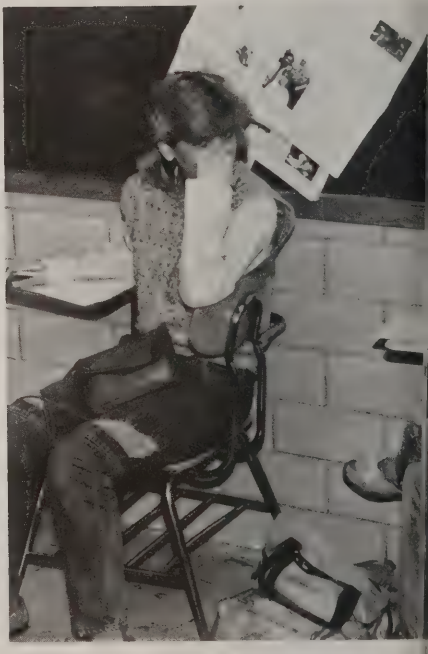

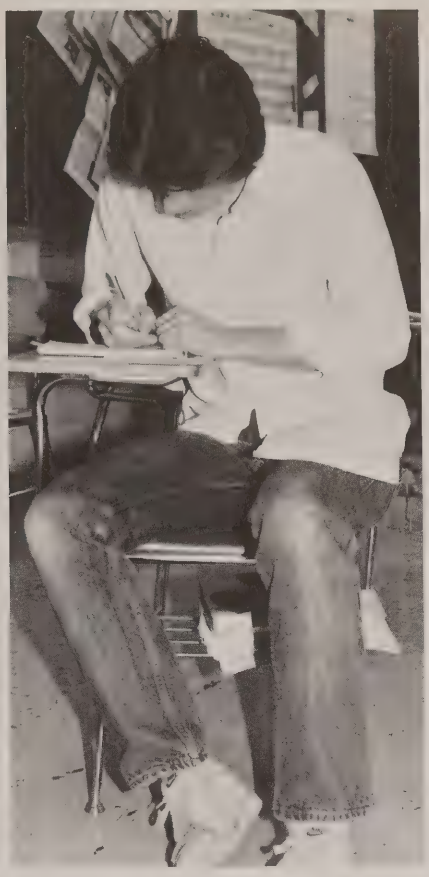

Comet staff

Catonian '85

This year's large *Catonian* staff consisted of a diversity of grade levels which helped to create a well-balanced and complete picture of life at Catonsville High.

Once again, the skillful leadership of Sue Tustin guided an inexperienced group toward achieving its goal. The staff worked together with a sense of dedication towards a finished product that captured another year at CHS.

Striving for Success

Under the coaching of Tom Crain, the cross country team had a very successful season. At the end of the dual meet season, the Varsity boys had a 10-4 record, the J.V. boys had an 11-3 record, and the girls had a 12-2 record. Both the boys and the girls ranked high in the County championships and went on to the Regional championships. Becky Canner finished in 9th place, qualifying her to go to State. There she placed 15th and received a gold medal and the distinct honor of being named as a member of the All Maryland Cross Country Team.

Football Fights Back!

This year's Varsity Football team had a hard season; however, it was a season for rebuilding. Although the team as a whole did not excel, many individual players showed outstanding ability. Myron Autry broke the school's record for completed passes while obtaining the most yardage. David Anderson broke the catching record with 30 catches this season.

Two Catonsville Seniors were selected for the All-Star team. Marvin Randall played All-County defense back on the first team, while Tony Smith played All-County linebacker.

Even though the team did not excel on the field during the '84 season, the coaches are confident that the team will progress next year.

The JV Football team had a very strong team this year. Even though the team was basically a young team, it was a winning one.

At the end of the season, nine outstanding players were moved up to the Varsity team, giving next year's team a head start.

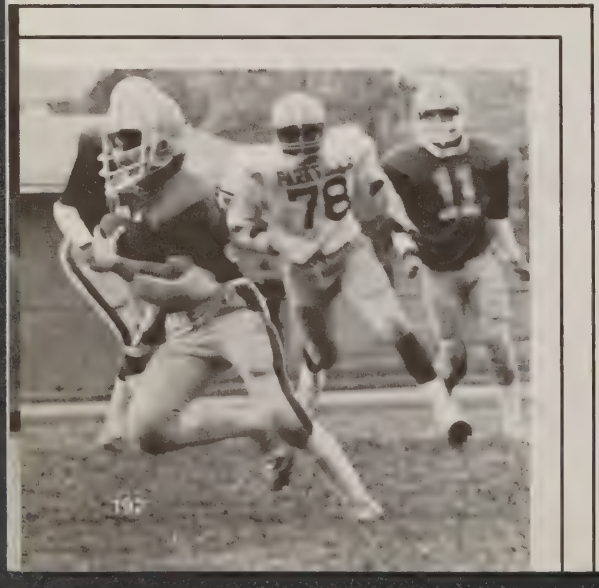

Mr. Bury and Mr. Leslie are looking forward to next year's football season, and another outstanding JV season.

Hockey Sticks Together

The varsity field hockey team showed true determination under the coaching of Caren Welsh who led her largest squad to play South Carroll in regionals. Kathi Hoke set a new scoring record of 16 goals in one season and was selected to play on the Western Division "All Star Team" at Johns Hopkins University. The team ended their season with a 4-8 record.

The J.V. team, under the coaching of first year coach Lynne Lentz, had a successful .500 season. The team's offense was led by Trixie Gilbert and the defense was led by Sherri Bees.

Playing the Field

The varsity soccer team began the season expecting to improve upon a previous 6-2-2 record and instead finished 3-5-2. Even though the team as a whole was unsuccessful, some of the players stood out in the league. This year the team placed two juniors, John Quinto and Matt Barksdale, and three seniors, Kevin Good, Jack Stansbury and Frank Turney on the All County Team, and Joe Treadwell joined the other seniors to participate on the County All Star Team.

This year's JV team, led offensively by Tim Wess with 8 goals and 2 assists, had a successful season with a 7-1-1 record. Unfortunately, because of the budget cuts, they lost three games off their schedule which may have put them into the championship playoffs.

New Kicks

This year Catonsville sports fans saw history being made with the beginning of the Girls' Soccer Program at CHS. Most of the girls had never played before this year, but by the end of the season their teamwork and concept of the game had greatly improved. Led defensively by Holly Walker and Melanie Linder, and supported by the aggressive play of Kim Freeman, the Comets kicked to a 2-3 season. Most appreciated by the entire team was the strong and consistent support from the boys' soccer program. The coaches and players assisted in spirit, lending constant encouragement to the team. The girls are looking forward to an even more successful season next year with the addition of a Varsity team and more games added to the schedule.

Aww Do It, Yeah Baby!

The Varsity Volleyball team saw the change of many faces this season. Due to the graduation of a good many of its players last June, the team was forced to rebuild itself, adding to its rookie squad six Freshman girls. Even though the Varsity team missed the Regional Playoffs, it still finished with a good 7-5 season. According to Coach Debbie Clem, "all the girls were willing to give 100%." Miss Clem and the team are optimistic for the future years.

Pam Bragg and Jill Chambers were selected for the All Star team. Pam Bragg was also selected for 2nd team All County and 3rd team All Metro.

The JV team under the new coaching of Allen Arnold, had a 4-6 season. The Junior Varsity, like the Varsity team, had a rebuilding year. The future of the JV team seems promising and strong.

Take it to the Hoop

The Varsity basketball team, coached by Fred Yanero, just missed states this year. With a record of 15-6, they lost in the last round of regional competition to Pikesville 65-63. Coach Yanero believes players grow through practice on their own, and due to this practice, the Comets had an excellent year. With only two returning seniors and only one starter over six feet, they lost three of their six losses by only two points. Next year, there will be five players returning as seniors and five returning as juniors.

Darren Hill had 170 assists for 20 games and 15 assists in each playoff game. Darren broke the old record set by Byron Randall who had 14 assists vs. Pikesville in 1980.

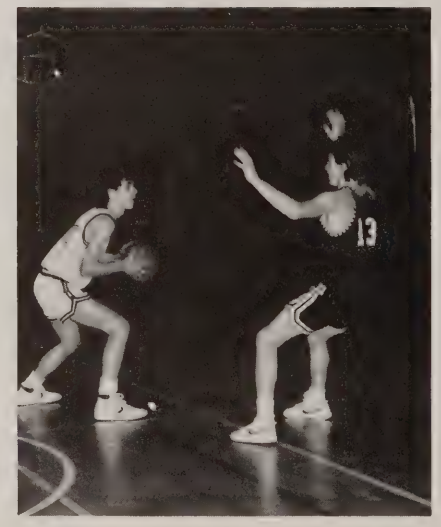

Vern Alban was introduced as the new coach of this year's J.V. team. With only one player returning from last year's team, the J.V. entered a rebulding year. Eight ninth graders and four tenth graders lacked the experience to turn around six losses by three points or less ever the first 10 games. The J.V. finally reversed its fortunes, winning five of its last seven games including a victory over league champion Pikesville, Pikesville's only loss in the regular season. Doug Rogers led the young team in rebounds with 115, offense and defense combined, and Marvin Scott shot to the top with 128 points. Overall, an exciting season. With the experienced gained this year, next year looks even more promising.

Rebound Into Regionals

Under the coaching of Debbie Clem, the Comets sparked another successful season. Even though it was a young team with three freshmen starting, the Comets pulled off an excellent 14 and 3 record. With Laura Farcosky's high scoring and Elaine Boston's superb rebounding, the team made their way to regionals. Despite their loss to Towson, which ended their trail to States, the team seeded 2nd in their region and 2nd in their division. Another highlight for the team was the placement of senior Laura Farcosky on the First Team All-County. Senior Elaine Boston and freshman Jill Evans were named to Honorable Mention.

Coached by Steve Young, the JV squad was led to a 3rd-place finish in the county under the leadership of Sharon Hayes. The 10 and 3 record was also attributed to the high scoring of Cathy Budd and Kelly Williams, and the rebounding of Michelle Murphy and Dee Bell.

The Heat Is On

The Indoor Track team will have a very prominent future. Of all the years, this year's team was one of the youngest ever. Even though the boys' and girls' teams were not very well-rounded, with only two senior girls and three senior boys, the teams progressed well and showed much enthusiasm. In the States, an impressive show was made by Becky Canner, placing 5th in the 2-mile run, Brian Berry placing 3rd in the pole vault, and Sean Fitzpatrick placing 10th in the mile. Overall, the Indoor Track team will have a good future with promising faces like Ross Butler, Darryl Toppins, and Becky Canner.

Boys' Indoor Track: Front Row: D. Toppins. *Middle Row:* J. King, T. Reuling, K. Cichon, D. DeLauro, F. Brent, C. Michener, D. Loyola. *Back Row:* B. Berry, S. Foley, E. Lee, S. Fitzpatrick, V. Svatek, R. Butler, J. R. Hammond, G. Weilert (coach).

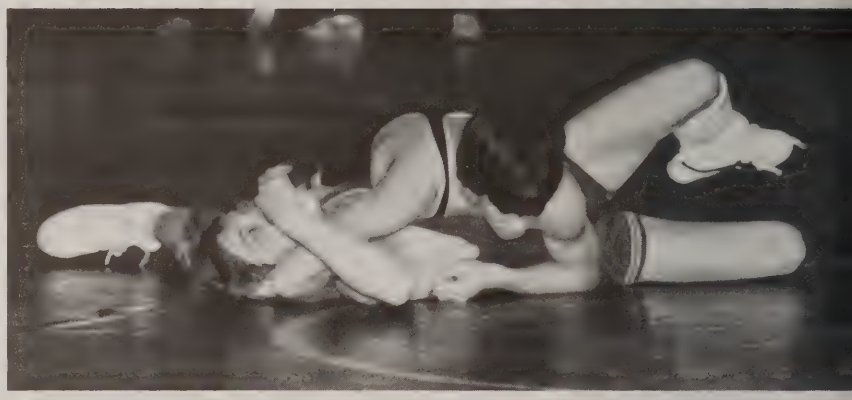

Pinned Again

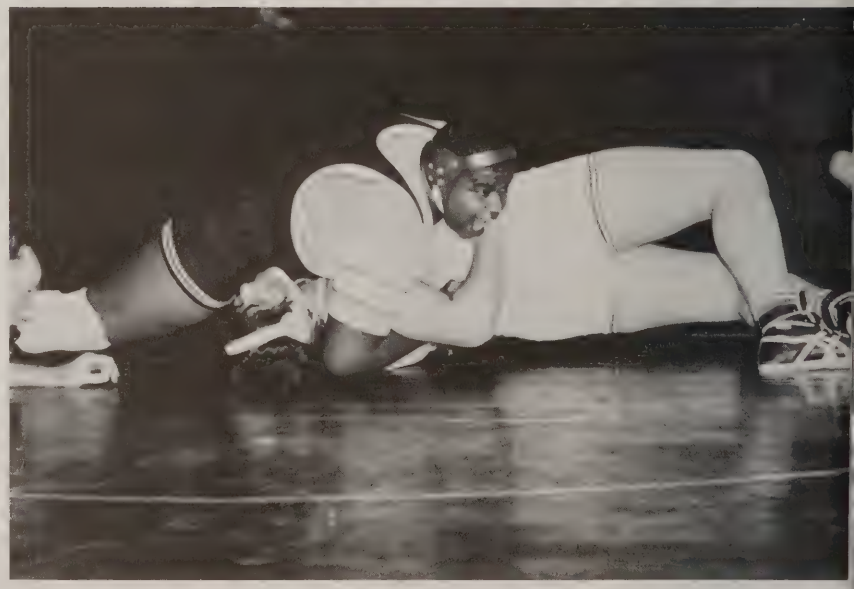

The Wrestling Team, coached by Earl Deickman, had a pretty successful season considering the lack of experienced wrestlers and response to the sport. Senior David Castellano led the team with 18 takedowns. He finished with a record of 7 wins, 3 losses, and 1 tie and qualified for the Regional Tournament. Another senior, Tony Smith, turned in a season with a record of 8 wins, 4 losses. Tony led the team with four pins, the fastest of which was 18 seconds. Hopefully, with more student participation, the wrestling squad will have a more successful season next year.

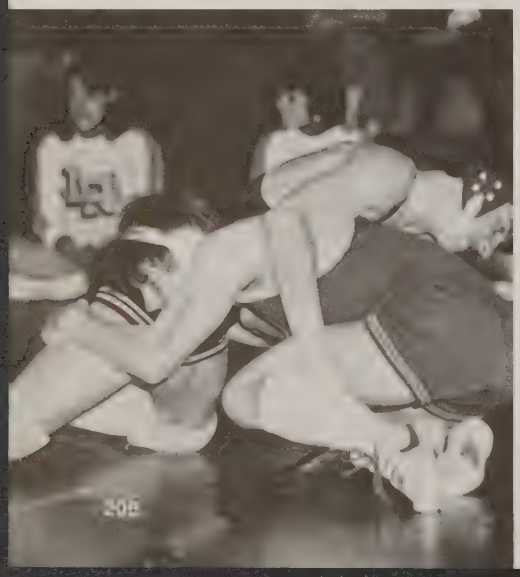

J.V.: Front Row: J. Miller, T. Johnson, J. Tysor, J. Kim, R. DiSante. *Back Row:* Q. Gaines (Mgr.), J. Buchne (Mgr.), D. Little, J. Greene, D. Whitacre, K. Green (Mgr.), E. Deickman (Coach).

Baseball Batters Opponents

The Varsity Baseball team, coached by Art Reeves, ended its season with a record of 6-9. The team was very young with only four seniors. The team was led by senior Mike Waters with a batting average of .523, and Myron Autry with a batting average of .472, both of whom made counties. The team is looking to a stronger season with nearly all starting players returning.

The J.V. team, coached by John Leslie, finished its season with a successful record of 10-1. They had the best J.V. baseball record at CHS in nine or ten years and they were tied for the best record in the county, winning the division title. The team was very young with ten freshmen, and they are looking forward to another successful season in 1986.

Varsity Baseball: Front Row: E. Ricketts, D. Hall, R. Peacock, B. Sharrer, M. Johnson, B. Woolfenden. *Back Row:* A. Reeves (coach), P. Brady, J. Wikinson, M. Autry, C. Berry, M. Walters, N. Pyle, P. Bennet (Mgr.).

Sticking It to States!

The Varsity Lacrosse team, under first year head coaching of Charles Reisenweber, compiled an extremely successful Division I record of 9-4. The team broke several records in the smooth transition to the new division. They had the best "new team" Division I record ever. They made it farther than any other Catonsville team since the early sixties, reaching the semi-finals where they lost to the eventual state champions, Towson, by a score of 16-9. Junior Trent Wisnauskas broke his own school record for goals scored by scoring 45 this year. Chosen to the All-County team were: Honorable Mention: Kenny and Kris Gucwa, Steve Smit, Frank Turney, Fred LaScoula, Bill Miller, and First Team: Trent Wisnauskas. Also this year, goalie Kenny Gucwa, midfielders Frank Turney and Steve Smit and attackman Jack Stansbury were chosen to play in the Baltimore County East/West All-Star game at C.C.C. With the loss of many seniors, the team looks forward to a rebuilding and successful season next year.

The JV team under head coaching of George Gernand, compiled a 3-5 record. The team did relatively well in its first Division I season with Juniors Bernie Wrisk, Jason Barker, and Bryan Wintersteen leading an inexperienced team. The team looks to have a more successful season next year with a solid nucleus of returning sophomores and new freshmen.

JV Lacrosse: Front Row: M. Armbruster, K. Kurnert, M. Pillsbury, D. Yuska, J. Moore, B. Baker, J. King, M. Palmer, D. Hourihan. *Back Row:* D. Carey, D. Rogers, J. Barker, B. Wrisk, K. Raatjes, C. Ladies' Lax

First year coach Debbie Clem led the Varsity squad to a winning 5-4 season. Mary Clare Abendschoen, Kathi Hoke, and Melissa Hourihan, scoring 26, 22, and 28 goals respectively, were the top 3 scorers. Throughout the season, everyone on the team showed continuous improvement, and next year's returning squad is definitely one to look forward to. Team leader Kathi Hoke was named to the All-Star Senior Team.

Despite a record of 3-4, and JV Lacrosse team had a very good season under the coaching of Kathy Schuyler. Sharon Hayes, scoring 14 goals, and Linda Prochazka, scoring 11 goals, led the team offensively. Defensively, goalie Heather Wolters and defensemen Shari Adams and Holly Walkers worked very effectively together.

A Perfect Match

The season ended with both tennis and golf finishing strong. Golf finished with 2 wins, 3 losses, and 1 tie. The team was led by Steve King's 4 wins and Eric Miller's 3 wins.

Tennis turned in a record of 6 wins, 5 losses. The team as a whole, was outstanding. Overall both teams played hard with great determination to win.

Striding Towards States

For the first time in about 10 years the Catonsville track team placed 1st in regionals. Keeping with this success, the track team went to counties and placed 5th.

Stanley Brown had an especially successful season, finishing 2nd in the counties for the 100 meter run, along with Becky Canner, who finished 6th in the states for the 2 mile run.

The team is expecting to have another successful season next year, even with the loss of seniors Marvin Randall, Sean Fitzpatrick, and Harold Borden.

Hey Comets — How Do You Feel?

This year's Varsity Cheerleading squad was led by Captain Carri Drohan and "Flash" Jenni Bennett. The Cheerleaders showed excessive school spirit by leading Catonsville's first '84-'85 pep-rally and cheering the Comets to victory at Towson State where the Comet Football team defeated Landsdowne.

The JV team was led by Captain Bethany Hoffman. The JV squad cheered enthuiastically to encourage the JV Comets to victory.

Varsity Club Banquet

The Varsity Club, in conjunction with the newly formed Comet Booster Club, held three awards banquets instead of one this year. The first two were held at C.C.C.'s Barn Theater, and because of a larger turnout, the third was held at the Catonsville Elk's Club. The tradition of great sports at Catonsville was upheld this year and the banquets were a fitting ending to each season.
